Walking for Local Foster Children

F.A.C.T.O.R.

F.A.C.T.O.R: Foster advocates caring together of Riverside, is a nonprofit company who organize the "WALK YOUR TALK WALKs" throughout Southern California, to provide an avenue to increase the involvement of service from the community with worthy organizations that positively impact children in the foster care system. They work with communities, educational and government agencies, to increase awareness, raise funds, and promote volunteer opportunities in the foster system. Each year the proceeds from the walk are donated to a local organization to help support their programs which focus on meeting the needs of foster children. The walk provides organizations and other agencies the chance to provide information to the community to get involved in service opportunities. F.A.C.T.O.R's purpose is to aid foster and adoptive kids and the organizations that support them.
